25X1

25X1 6. [redacted] Made arrangements with George Murphy,  
25X1 Joint Committee on Atomic Energy staff, to reschedule our meeting with  
him on the [redacted] case for Tuesday at 11:00 A.M.

25X1 7. [redacted] Called Miss Peggy McDonald, in the office  
of Senator Henry M. Jackson, and gave her some very basic information  
provided us by the Office of Security on the International Volunteer Service.  
I emphasized, however, that this Agency was not a repository for information  
on U.S. organizations and we could not pass judgment on this one. Miss  
McDonald said she understood this and appreciated the information given her.

25X1 8. [redacted] Advised Bernard Fensterwald, Chief  
Counsel, Senate Judiciary Subcommittee on Administrative Practice and  
Procedure, of our meeting with William Paisley and James Wood, of the  
Subcommittee on Criminal Laws and Procedures, on the wiretap bill.  
They appreciated our situation immediately and agreed to have included in  
the bill the language which we had previously discussed with Fensterwald.  
They also indicated there was to be a meeting of the Subcommittee on  
Criminal Laws and Procedures on this bill on Monday. Fensterwald thanked  
us for keeping him informed.

25X1 9. [redacted] Met with Mr. Robert Mehaffey, House  
Un-American Activities Committee staff, on the Committee's interest in  
obtaining the "Foreign Names Digest." Mr. Mehaffey said that the unclassified  
set I showed him was precisely what the Committee wanted. Mr. Mehaffey  
fully understands the possibilities of terminating the publication of this service.  
25X1 [redacted] is making necessary arrangements.

Mr. Mehaffey showed me material which Radio Liberty had sent to the  
Committee on Soviet broadcast and interpretive analysis and pointed out that  
this is the type of material the Committee is most interested in receiving.
